Foreword

As you turn the pages of this annual you will find inscribed on every one a living example of today's youth. As you go further into this book you can see before you the activities of each student... the work, the fun, and the play that go into making up a school, a community, and a nation.

We have worked to make this, the 1951 Tiger, the best and hope that this dream has been accomplished.

The only reward sought in making this book, is that it will be one of your treasured possessions and a constant memory of The Class of '51.

History

To the graduating class of 1951 I extend my sincere congratulations. We have been through many interesting experiences during the past six years and the thought of your not being a part of Murray High School next year gives me a feeling akin to sadness. In a broader sense, however, you will still be with us. The contributions you have made to this institution will be of help to future classes and I hope that your associations through the years will be worth something to you.

Sincerely yours,

Last Will and Testament

of the

1951 Senior Class

We, the senior class of '51 being of fairly sound body and mind--some,, of course, being like the Venus de Milo (not quite all there)--do hereby publish our last will and testament. We leave these hallowed halls--"Bored of Education"--but with high aspirations to go on to greater things, gaining the knowledge of the world around us.

To MR. CARTER and MR. MOSER we leave deep admiration and respect.

History

Wayback in 1947 there entered Murray High School, the most talented and promising green freshmen ever to cross the threshold of MHS. For our class of 51 students had the fighting spirit and Miss Mary Roberts and Miss Lala Cain, sponsors, and Mary Frances Williams, president, we fought our way victoriously through our first year.

We came back in '48 a year older and a year wiser. Our number was increased to 55 even though we lost Maxine Crass and Joan Miles who chose matrimony in place of schooling. Dona Wainscott, who transferred to the Training School. Leslie Dyson who moved back to Paducah, and Bobby Thornton joined the Army. But to cover our loss we gained some truly great students, Paul Blankenship from Bradford, Tenn., Jack Greenfield from Ohio, and Patsy Robertson from Ark. We were guided this year by Mrs. George Hart, and Paul Blankenship, president.

In '49 we were at last upper classmen and were on the road to success. We hated to lose Charlene Hatchett and Dallas Conyers moved to Paducah, Janot Smith, moved to Decatur, Jack Greenfield moved back to Ohio, and Noble Knight went to work. But we received some great kids to climb a little higher with us. They were Glenda Kirkland, from Paris, Tenn.; Will Ed Travis, transferred from the Training School, Jean Emerine, from Benton, James Roberts from Phoenix, Ariz., and Charles Skaggs and Larry Washer from Hardin.

We sponsored a "work day" to raise money for the traditional Junior-Senior Banquet, which with the help of our sponsor, Mrs. Hart, we carried out in grand southern style at the Woman's Club House. We elected Paul Blankenship president.

On September 6, 1950, the 44 seniors who compose the 1951 class entered Murray High to climb the last rung of high school days. We were saddened by the loss of some of our dearest friends, Mary Frances Williams, who transferred to Virginia Intermont College; Paul Blankenship who moved to Jackson, Tenn.; James Roberts, who finished school in the summer; Lida Waldrop Darnell, who moved to Detroit; Charlie Marr, who went to work; David Outland, who went to the Navy; Latricia Stokes Travis, who went to Texas to join her husband; Sue McCuiston who moved to Detroit. But those who joined us for our last victory were welcomed wholeheartedly. They being Myrtle Ross Dunn who transferred from Mayfield, and Shirley Henry from Jackson, N. C.

Some of the highlights of the year were successful Halloween Carnival, arrival of our rings, monthly parties, senior play, and our wonderful five day trip to New Orleans and Biloxi.

Mrs. George Hart was again elected sponsor. She had been with us through tears of joy and sadness. We felt she was the only one right for our last battle. Gene Hendon was chosen president and editor of the annual.

Now we are saying farewell to our Alma Mater which has been our home for these glorious past four years, and the faculty who has tried hard to place us on the right road for life. It is our sincere wish that Murray High will be as proud of the '51 class as we are of Murray High.

Prophecy

The MHS cafeteria is lighted up bright,
People are wondering what's going on tonight,
It's the reunion of the class of '51,
And the meeting has just begun.

(By the way, do you remember when there was just a cafeteria and that was all? But it wasn't that way long because they voted on the school bond in the fall. And do you remember how it passed? We were all mighty happy because it meant we had a grade school at last. Well, it's been built now for many a year and I guess our children appreciate it now that they're here.)

Getting back to the reunion, Gene Hendon,
once president of the senior class,
Finally has reassembled this mass,
I see everything is about to start,
So I guess that is where I must part.

The next voice you hear will be that of Jimmy Jones. He was secretary in '51 and, by the way, we still call him "Bones." BONES JONES--I'll call the name of everyone, so stand up and tell what you've done. First name is Parker; alright, let's go. What do you have to say, Billy Joe?

BILLY JOE PARKER--I've been on the radio, I'd like to boast and on WNBS, they've heard me from coast to coast.

GENEVA ALLISON--I had many a beau as you will know, but I couldn't make up my mind, so I told 'em all "no."

MARTHA BLAND--I've got a husband, it's number three, he's locked in a closet and I have the key.

BETTY SUE HUTSON--Life to me has always been sweet, I guess it's all because of Pete.

FRIEDA JONES--My main ambition was to be a preacher, but I ended up being a teacher.

JIMMY JONES--I went up north to have a career, but I wound up selling Schlitz Beer.

RONALD JONES--In high school, my friends called me "Speedy," but I went to prison because I was greedy.

BILLY OUTLAND--I always wanted to be a basketball star, but I finally wound up selling used cars.

SUE JONES--You all know, I didn't marry Joe, and now I'm feeling mighty low.

GLENDA KIRKLAND--In school, people thought me an awful bore, but now I have a husband, number four.

LETHA LYONS--A reunion is such a pleasant thing, for old times sake I think I'll sing.

CHARLIE MARR--I've traveled east, I've traveled west, but I traveled south cause that's the best.

CAROLYN MELUGIN--I'm mighty glad to be here and get to say "Howdy," cause I'm yours very truly, Mrs. Red Dowdy.

JAMES DALE OUTLAND--I've traveled the world far and wide, but I never found myself a bride.

ZANN PATTON--My beautiful red hair has turned to gray, since I said "yes" to Bobby that day.

MARY FRANCES BUCHANAN--Some girls like lots of men, but for me there's just one "Little Wren."

PETE BUCKINGHAM--Girls in my life have been mighty few. After twenty years its still Betty Sue.

WANDA CABLE--All these years I've been happy as Mrs. Joe Cable, and raising our twins, Cain and Able.

GENE COHOON--Remember how for class I was usually late? Well, now I'm running for the president of the United States.

BOBBY GENE DOWDY--My friends still call me "Red," but Carolyn calls me when its time to be fed.

MASON EVANS--I painted a portrait of the president's wife, I was lucky I didn't get life.

ANN FENTON--I traveled abroad and saw many strange places, but it's good to be back and see your friendly faces.

BOBBY FOY--In chemistry they said I could discover, but Zann thought of me only as a lover.

JAMES GLASGOW--All of my life I've been a brain. Now I'm in Hoptown, they say I'm quite insane.

LOCHIE FAY HART--Well folks, I'm Willy's wife, but I still write the script of "Portia Faces Life."

GENE HENDON--I've been so busy making money, it's good to be home acting funny.

SHIRLEY HENRY--To marry Emory was my ambition, and a few years later we had an addition.

THOMAS LEE HOPKINS--My very fine voice you've possibly heard. I'm now the Radion Mocking bird.

MARTHA PARKER--I left Murray in state of glee because fifty boys were trying to date me.

MODEAN PARKER--My commercial course has led me to fame, I am now typing for the king of Spain.

SUE PARKER--I now live in a Southern State, just roaming around hunting a mate.

WILLIAM T. PARKER--I took over my father's place and am now solving a mysterious murder case.

ANN PERRY--As you know, I was smart as smart could be, I just tricked Harry into marrying me.

PATSY ROBERTSON--My shorthand lesson hasn't taught me a thing except on which finger to wear that ring.

PEGGY ROWLAND--A nurse I've always wanted to be, now I am for Dough and our three.

CHARLIE SKAGGS--My main ambition was to be a bull fighter, but I wound up being a very good writer.

LATRICIA TRAVIS--I'm still living in Benton and am happily wed. We had six children just like Jimmie said.

WANDA VANCE--Well, my name is still Wanda Vance, just because I was a smarty pants.

TOMMY WALTON--I've been in Sing Sing for a couple of years, and now that I'm back, they're all in tears.

NANCY WEAR--I went to college and got a degree. Just a "MRS" suited me.

KAY RAY--It's now twenty years since I become Mrs. Ray, Never a moment have I regretted that day.

GENE WELLS--You know my father was an electrician. I changed things a bit, and became a beautician.

ZETTA ANN YATES--Instead of being on "Kiddie Time." I'm now the proud mother of nine.

This brings to a close the class reunion of '51

And you've heard what all we have done,

That is except for me--

You see I live a very peaceful life, just being Dr. Boone's adoring wife.

Summary

Things looked bad for the 1950 M. H. S. Tigers because of the loss of such boys as Glin Jeffery, Gene Cathey, Dwain Adams, and others; but a group of inexperienced boys started showing their claws.

In the first game a powerful Russellville team, who later won the conference, rolled over Murray 20-0.

Then the Tigers traveled to Morganfield and defeated the Guerrillas 18-0.

Next the Cardinals of Mayfield came to Murray and after a scoreless first half, beat out a 25-0 victory over the Tigers.

The following week the Tigers suffered a surprising 31-6 defeat from the Bulldogs at Fulton.

Hungry for a victory, the Tigers then returned home to win a hard-fought battle from Bowling Green 7-0.

Traveling over to Madisonville the Tigers spoiled their Dad's night by setting the Maroons on their heels to the tune of 7-0.

St. Francis of Owensboro next came to Tigertown and issued the Murray men a 14-0 loss.

When the Tigers went to Hopkinsville, even the rain, mud, and coldness couldn't stop them and Hoptown was beaten 14-0.

Following the Hoptown game, the Murray Tigers and the Princeton Tigers played a 0-0 tie at Murray.

For the last game of the year, Thanksgiving, Murray avenged a year earlier loss by beating the Paris Blue Devils 20-0 at Paris.

The season ended with 5 wins, 4 losses, and 1 tie.

Individual awards for the year went to Jimmy Jones, Capt., and Will Mac Jones, and Jimmy Boone Co-Capt. for '51. Other honors were Gene Wells, 2nd team, W. K. C.; Will Mac Jones, 2nd team, W. K. C., and Honorable Mention All-State; Jimmy Boone, Honorable Mention All-State; and Jimmy Jones 1st team W. K. C. and Honorable Mention, All-State.
